STORY MODULE 1

STORY MODULE 2

AD SPACE

Number	Title	Notes
Home		
1	Masthead	Logo graphic and text tag line
2	Account Sign-in	Defaults to Sign-in   register
3	Tabs	Menus and pages can easily be edited and added with the CMS. If new tab/page is needed, or if tab label needs editing, this can be done via Drupal admin.
4	Left Sidebar	Sidebar links can be added, edited, re-ordered in CMS.
5	Primary Feature	Lead story includes large photo, story intro, and possibly links to story features such as slideshows, audio, and photo gallery. Primary feature is approximately 580 pixels in width (with padding and margins). Users can comment on primary feature.
6	Secondary Features	Three secondary features are 580 pixels in width total and approximately 180 pixels in width individually. These flexible slots should be adaptable for various types of content and topics. May include small thumbnail or entire slot may be an image. Users can comment on secondary features.
7	National News	Summary and analysis of national news stories by Yonder staff. Opportunity exists for displaying automatically updating list of story headlines via RSS/XML.
8	Local News	Summary and analysis of regional news stories by Yonder staff. Opportunity exists for displaying automatically updating list of story headlines via RSS/XML.
9	Yonder Music	Yonder Music slots may include: <ul style="list-style-type: none"> <li>Streaming audio – does this play automatically or on user input?</li> <li>Links to streaming radio</li> <li>Real Country Music – Band feature w/mp3</li> </ul>
10	Ad Space	Google Ad Sense (text link ads), Banners, Amazon, Yahoo, etc. TBD
11	Blog Aggregation	Aggregates blog posts. Do users submit blog info when registering? Does Yonder staff get blog syndication feeds to populate this section? Alternatively, this space could simply be a list of featured blogs, perhaps spotlighting one in particular.
12	Footer menu	Footer menu controlled in CMS. Administrators can add, remove, and edit links easily.
Full Story		
1	Story Modules	Two flexible slots for items such as: <ul style="list-style-type: none"> <li>Most commented story list</li> <li>Additional ad space</li> <li>Related stories</li> <li>Data spotlight (Iraq, etc.)</li> <li>Spotlight on rural org</li> </ul>
